

# 16 Days of Activism 2022

---

## 25 November to 10 December

The 16 Days of Activism for No Violence against Women and Children Campaign (16 Days Campaign) is a United Nations campaign which takes place annually from 25 November (International Day of No Violence against Women) to 10 December (International Human Rights Day). It focuses on raising awareness to the devastating impact that gender-based violence and femicide (GBVF) has on women and children, and the social fabric of our society.

Other key commemorative days during this period include World Aids Day on the 1st December and the International Day for Persons with Disabilities, on 3 December of every year.

The theme for the 16 Days of Activism Campaign for 2022 is: “Socio-Economic Rights and Empowerment to build Women’s Resilience against Gender-Based Violence and Femicide: Connect, Collaborate, Contract!”

Given the scourge of Gender-Based violence in the country, which is declared a national address, government is implementing the Emergency Response Action Plan on Gender-Based Violence and Femicide, which was announced by President Cyril in September 2019.

The 16 Days Campaign forms the centre point of government’s comprehensive 365 Days of Activism for No Violence Against Women and Children.

During the 16 Days period, Government together with civil society and the private sector will host a series of community and sector dialogues and activities to foster a collaborative effort in dealing with GBVF.
